Aghalar Yusublu

Front-End Developer

About Me

I am 21 y.o. Front-end developer. I study at Azerbaijan State Oil and Industry University (2018-Present) and Pragmatech Education and Development Center. I have strong knowledge and 2+ years of experience at HTML / CSS(Sass,Scss) / Javascript (also bootstrap, tailwindcss, jquery). I can make single page, responsive, mobile optimized applications and more. As a Javascript framework, I also know React js
